# EMV Cradle

## For Point of Sale and Self-Service Applications

### Compatible with Windows & Android

### Easy to Install

### 3-Year Warranty

## Product Overview

The fully integrated EMV cradle mounts seamlessly and allows the customer to control the checkout process with confidence and ease. Currently available for the Verifone® E355 and Ingenico™ ICMP mPOS payment devices, the cradles are compatible with multiple Elo products including I-Series (10.1-inch, 15.6-inch, 21.5-inch), X-series (15-inch, 17-inch, 19.5-inch), M-series (1002L, 1502L, 2002L), IDS 02-Series (3202L, 4202L, 4602L) and PayPoint (Android™, Windows®, iPad®). By combining an Elo touchscreen with the EMV Cradle, you can help improve service for endless aisle, loyalty programs, brand experience, self-service, mPOS, POS applications and more.

POS and kiosk management can be even easier with EloView®. A revolutionary interactive platform, EloView is a secure management platform for remote content delivery and device management. Whether you need to push new content to a device or simply change the screen brightness, EloView has got you covered. EloView software provides device setup, remote management, alerts, attract loops, and the ability to securely upgrade the operating system, applications, and content.

**Cradle works with the Ingenico ICMP & Verifone E355**

**Compatible with Elo's**

- **I-Series for Android and Windows**
- **X-Series Touchscreen Computers**
- **M-Series Touchscreen Monitors**
- **02-Series Touchscreen Signage**
- **PayPoint AiO Cash Register**
