

# Hospitality

Elo delivers the widest range of interactive technologies for hospitality. From check-in to check-out and all the self-service touch points in between, let Elo help you captivate your hotel guests with commercial-grade touchscreens from 10 to 70 inches. Whether you want a wall-mount, shelf-mount, pole mount or fully-integrated kiosk, Elo has a solution to create brilliant, engaging experiences designed to fit your needs.

## Wayfinding

Provide hotel guests with engaging information and promotional content, making it easier than ever to navigate the hotel and local amenities. From finding local bars and restaurants to the hotel's fitness center, pool, business center, conference rooms and more, helping guests has never been easier.

## Check-in

Empower guests with options at check-in with a self-service touchscreen kiosk to supplement the front counter staff. Guests can skip the line and quickly receive their room assignment with the click of a button.

## e-Concierge

Expand your guest's hospitality experience by merging your physical location and online resources. Display hotel information including 'things to do,' restaurant guides, maps and more with an intuitive touchscreen kiosk.

## Menu Board

Attract and engage hotel guests and other visitors with interactive menu boards outside restaurant or bar entrances to entice guests with dynamic food and drink visuals and relevant content promoting the menu, dinner reservations, or daily dinner specials. Make adjustments without incurring major printing costs while quickly and easily deploying new content.

## Loyalty Kiosk

Keep guests coming back with a seamless loyalty member experience with an automated touchscreen solution. Empower hotel guests to find information with a self-service experience supporting loyalty and membership programs, resort information, and more.
