mPOS Printer Stand

For Point of Sale or Self-Service Application

2-in-1 POS Terminal & Self-Service Kiosk

3-Year Warranty

Commercial Grade

Product Overview

The new commerical grade mPOS Printer Stand features a flip stand that quickly and easily switches the mPOS terminal between an employee facing cash register to a customer facing display for payment and signature capture or to a complete self-service kiosk. The space-saving mPOS Printer Stand is designed to house an I-Series 10.1" or 15.6", a POS expansion module and a standard 3" printer in a clean cable free installation. Elo's mPOS Printer Stand was built to house many 3" printers including Star Micronics TSP100 and the Epson T88.

POS and kiosk management can be even easier with EloView®. A revolutionary interactive platform, EloView is a secure management platform for remote content delivery and device management. Whether you need to push new content to a device or simply change the screen brightness, EloView has got you covered. EloView software provides device setup, remote management, alerts, attract loops, and the ability to securely upgrade the operating system, applications, and content.

Create a complete POS terminal at a fraction of the cost*
