PERFORMANCE PARTNER DEMO REQUEST

Please complete the following to initiate your demo product request with Honeywell. Upon submission, your request will be reviewed according to the published Performance Partner Program - Demo Product Pricing Policy.

All fields with an asterisk (*) are required. Incomplete requests may be delayed in processing or denied from further consideration.

You must enter the complete Honeywell product configuration(s) or part numbers(s) in the field "Products and Quantity".

If you do not know the part numbers please contact your distribution partner or Honeywell Channel manager for assistance.

¿CÓMO REVISAR EL STATUS DE UN DEMO?

The screenshot shows the Honeywell Partner Portal interface. At the top, there is a navigation bar with the Honeywell logo and menu items: Home, Marketing, Sales, Support, Asset Library, and Productivity News. Below the navigation bar, there is a search bar and a dropdown menu for 'Sales'. The 'Sales' dropdown menu is open, and the 'Demo Request Dashboard' option is highlighted with a red box. A red arrow points from the left towards this highlighted option. Below the navigation bar, there is a form section for 'Project Reg/Opportunity Name' and 'Account Name'. The 'Project Reg/Opportunity Name' field has a search bar with the text 'Search By Opportunity Name'. Below this, there is a note: '* Please provide details for the demo request or insight to the demo product will be used for'. To the right of this note, there is a dropdown menu for 'Distributor you will purchase the demo from' and a text field for 'Distributor Account Name'. Below this, there is a section titled 'PRODUCTS INFORMATION' with the instruction 'Include accessory part number(s) (if needed for product to function)'. This section contains five rows of input fields, each with a 'Product Partner Number' label and a 'Quantity' label. The first row is labeled '* Product Partner Number 1' and '* Quantity 1'. The other rows are labeled 'Product Partner Number 2', 'Product Partner Number 3', 'Product Partner Number 4', and 'Product Partner Number 5'.
