

# SELL WITH CONFIDENCE

Honeywell Productivity Solutions

Honeywell's Productivity Solutions and Services business creates industry-leading mobile computers, printers, and data capture devices that improve worker productivity for thousands of businesses of all sizes around the world.

For over 50 years, Honeywell's new innovations have helped retailers, distribution centers, transportation and logistics, and healthcare organizations achieve significant improvements in efficiency, speed, and accuracy in their operations.

# SMART SOLUTIONS FOR TODAY'S SUPPLY CHAIN

Honeywell productivity solutions are transforming supply chain efficiency. By harnessing the power of Honeywell's industry-leading hardware and software solutions, today's leading businesses can eliminate bottlenecks, achieve better visibility, and increase outputs to stay ahead of the competition.
