*Field-installable kit

**RFID option available on request; contact your Zebra account team for more information

ZT231

More than you expect. Made to print for years.

The ZT231 is ready to support your dynamic, light-industrial applications.

Made to last with an all-metal frame and enclosure

Compact design with a bi-fold door that fits in tight spaces, even when open

Easy to install and use with Zebra's wizards and setup utilities

See status at a glance on the large color touchscreen that can be used with a gloved hand

Manage and push updates remotely with our unmatched software suite

Add big features when you need them such as media handling, connectivity and RFID

Predict maintenance needs with onboard analytics

Replace the printhead in minutes without needing tools

Protect your sensitive data and prevent unwanted access with PrintSecure

Plus, it's backed by Zebra, the #1 leader in barcode printing, and our global network of 10,000+ partners.

**Quality, reliability and smart capabilities.
That's how Zebra does value.**
