Streamline workstations, help increase efficiency and productivity, future-proof your branch and improve the customer experience with Epson's broad portfolio of products for financial institutions:

- Multifunction Check and ID Scanners
- Thermal Receipt Printers
- Slip and Passbook Printers
- Validation and Endorsement Printers
- Multifunction Device plus Thermal Receipt Printer

The Epson Advantage

Designed for Outstanding Reliability
- Epson Preferred[SM] Plus Extended Service Plans are available for up to a total of 5 years of continuous coverage[1,2]

Diverse Solution Portfolio
- All-in-one solutions replace four or more single-function devices

Multiplatform Compatibility
- Wide range of operating systems supported (Windows®, iOS®, Android™, Linux®)

Multifunction Check and ID Scanners

Epson multifunction teller devices combine check and ID scanning processes, helping provide optimal efficiency while taking up minimal counter space.

TM-S2000II and TM-S2000II-NW

- Network- and USB-enabled multifunction devices
- Support check scanning, two-sided ID card scanning and inkjet printing
- Bright LCD display
- Modular design can be paired with TM-T88 or TM-T70 Series thermal printers
- Auto input feeder for 100 checks

TM-S9000II and TM-S9000II-NW

- The only network- and USB-enabled multifunction devices with an integrated thermal receipt printer
- Support check scanning, two-sided ID card scanning and inkjet printing
- Bright LCD display
- Scan up to 225 dpm
- Auto input feeder for 100 checks

TM-S1000

- Single-feed 30, 60 and 90 dpm options available
- Double-feed detection and flexible two-pocket support
- 100-check document feeder
- Built-in franker

Thermal Receipt Printers

For over 20 years, Epson has been engineering thermal receipt printers for high performance and reliability. Our broad range of printers are supported by nearly all financial institution software providers.

OmniLink® TM-T88VII

- Prints 3" receipts
- Print speeds up to 500 mm/sec[3]
- Flexible connectivity options, including built-in USB and Ethernet

TM-T70II

- Front-loading printer
- Print speeds up to 250 mm/sec
- Supports 3" media width

OmniLink TM-m50II

- Prints 3" receipts with ultra fast print speeds of up to 500 mm/sec[3]
- Advanced connectivity includes network tethering, tablet Sync & Charge, USB peripheral device ports and cloud printing[4] via Epson Server Direct Print technology
- Serial, USB-B and Ethernet interfaces

Slip and Passbook Printers

These fast and compact impact printers enable quick, easy printing of passbooks and multipart documents.

TM-U295

- Ultra small footprint saves counter space
- Operator-friendly features
- Four print sizes, four printing directions
- "Page Mode" feature allows printing anywhere on the document

PLQ-50

- Print speeds up to 631 cps
- Simple setup and operation
- Easy system integration
- Prints passbooks up to 2.6 mm thick
- Triple-interface connectivity

Validation and Endorsement Printers

With just a single unit, experience smooth, fast handling and printing of slips and receipts and perform validations with ease.

OmniLink TM-H6000V

- 99.9% MICR accuracy
- High-speed receipt printing up to 350 mm/sec[5]
- Slip printing up to 5.7 lps
- High-quality slip handling and validation

TM-U675

- High-speed MICR reading and check printing
- 90-degree print rotation
- Wide throat for smooth drop-in validation
- Exceptional slip handling with built-in forms stopper
- Easy drop-in paper loading and one-touch removal

Multifunction Device plus Thermal Receipt Printer

This compact all-in-one solution combines computing power and configuration flexibility. Bundle combines a multifunction check and ID scanner with a thermal printer that comes with a retail-hardened PC.

TM-S2000II and OmniLink TM-T70II-DT2 with Integrated PC

- Up to 16 lines of inkjet printing
- LCD status alerts
- Two-sided ID scanning
- Scans up to 225 dpm
- 2-year limited warranty
- Ethernet-enabled intelligent printer
- Thermal printer with built-in Windows 10 or Linux OS

1 Product comes with a limited warranty with the option to purchase Extended Service Plans up to a total of 5 years of continuous coverage. Limited warranty length varies by model. Must be purchased within 30 days of product purchase.

2 Can be purchased at any time before existing Epson limited warranty, Extended Service Plan or Spare-in-the-Air™ (SITA) Upgrade expires.

3 Speed based on using approved Epson media. For more information, please visit www.epson.com/testedmedia

4 Requires an Internet network connection.

5 Speed based on using 80 mm wide media only and Epson's PS-180 power supply. Configurations not including the PS-180 will have a default print speed of 300 mm/sec.

6 Spare-in-the-Air™ orders must be placed and processed by 1 p.m. Pacific Time for Next-Business-Day delivery, Monday through Friday, excluding holidays. Geographic limitations apply. Expedited shipping not available in all areas. See limited warranty or service plan for details.

7 Renew for additional years as long as a prior extended service plan is in effect.
