TERM AND CONDITIONS:

- The offer starts on 16th April 2024 and lasts till 16th July.
- To take advantage of this offer you need to quote the promo code which is **HANAMI24**
- The offer is only available via BlueStar, throughout Europe.
- When the purchase is finalized the SATO Team will provide the customer with the AEP (by sending the file which must be installed on the printer).
- To ensure a smooth transition, SATO offers up to 3 hours of adaptation of the AEP to the End User/Partner at no extra cost. If the adaptation must be done, a consultation with a Partner/ End user is needed. BlueStar informs SATO about such a need and our Technical expert takes care of it.
